Boys at Knox Prep reach out

The Knox Grammar Preparatory School vision for social justice is for boys to make a difference to the lives of others. Year 3 boys have recently been assisting with the "Dish Van" on a regular basis, a program run by St John’s Uniting Church, which serves meals to the homeless in the Hornsby area every Friday. Boys select a meal such as casserole, soup or curry, and assist with the preparation and the preparation of the meal at home. The meals are brought to school and collected by the church workers for distribution.
