

KEEPING A HEALTHY DIGITAL FOOTPRINT

PARENT SEMINAR: STAYING AWARE OF THE DARK SIDE OF INFORMATION TECHNOLOGY

- When:** Monday 11 August, 6.30pm-8pm
Location: Great Hall, Knox Grammar School, Wahroonga
Cost: Free (bookings essential)
Who: Parents of Prep and Senior boys and girls
(parents from other local schools are welcome to attend)

Presented by
psychology researcher
Dr Andrew Campbell
(University of Sydney)

Join us for a free parent seminar on topics including:

- Sexting and how it relates to the law and to contemporary relationships
- Social network profiles and their impact on employment and careers
- Protecting your identity and whereabouts when online from thieves and predators

Our next parent
eHealth seminar:
Term 4 (18 November)
