### CASUAL SWIMMING INSTRUCTOR

#### ABOUT THE ROLE

The Knox Aquatic Centre Swim School is currently seeking casual swimming instructors to work afternoons, evenings and weekends in the Learn to swim program.

Instructors will need to teach a variety of levels following the skills and level guidelines.

#### Detailed Description

The Knox Aquatic Centre is a state of the art indoor aquatic education facility that is three years old. It features a 50m 8 lane, heated indoor pool and a purpose build 8mx 18m learn to swim pool heated to approximately 32 degrees.

Inspired by the highest ideals of collaboration, co-operation, integrity and teamwork, learn to swim instructors are important members of the Knox Swim School.

The quality of the facilities and program enables Knox Swim School to provide a high quality swim school service to a large customer base and therefore is a key business contributor for the school.

The Knox Swim School competes with other school based and commercial swim schools in the area and is expected to meet high levels of customer service, quality and efficiency.

The afternoon swim program focuses on school age children. Children are taught water confidence skills and develop basic survival and water skills and then progress to the foundation skills of swimming flotation, body position, breath control, streamline and then on to stroke development stages and into mini squad. Saturday and Sunday classes include pre-school and mums and baby classes.
