WELCOME

We warmly invite you to join us for the Practising Positive Education Conference 2015 on Friday 28 and Saturday 29 August at Knox Grammar School in Sydney!

This exciting conference focuses on the practical application of Positive Education, at school and at home.

Whether you are a teacher, pastoral care coordinator, school leader, chaplain, sports coach, ICT staff member, psychologist or parent we invite you to attend to learn more about practising Positive Psychology.

The conference structure includes keynote speakers, panel discussions, masterclasses and networking drinks.

The program includes masterclasses structured into five streams: Whole School Change; Pastoral Care; Curriculum; ICT and Learning Enhancement; and Research and Staff Wellbeing.

Our speakers includes an inspiring mix of experienced teachers, principals, psychologists and academics.

We look forward to seeing you in August as we learn about how our students can be 'Fit for School, Fit for Life'!
