

23 May 2016

Dear Families

**Notice of Fee Increase for 2016-2017**

Uniting Early Learning is committed to providing quality education and care for children with qualified and experienced staff and above average educator to child ratios. To continue the provision of a quality early learning, it has become necessary to increase our daily fees in the coming financial year.

From 4 July 2016 Uniting Wahroonga Prep Outside School Hours Care will be increasing its fees. Please note our fees are designed to cover the operational costs of a quality service only, not to generate profits for shareholders or owners. The new fees from 4 July 2016 will be:

- Before School Care permanent (3-5 year old) - \$20.00
- Before School Care permanent (over 5 year old) - \$19.00
- Before School Care casual (over 5 year old) - \$21.00
- After School Care permanent (3-5 year old) - \$33.00
- After School Care permanent (over 5 year old) - \$31.00
- After School Care casual (over 5 year old) - \$36.00

Uniting Early Learning is a service group of Uniting, a large non-profit organisation and a leading provider of community services for children and families.

Uniting Early Learning is committed to providing quality early learning and care for your child. We endeavour to keep fee increases limited to once per financial year.

If you have any queries regarding the fees, please do not hesitate to contact Natalie Lawton, Manager Early Learning, on 0427 739 906.

Yours sincerely

A handwritten signature in blue ink that reads "C Bell".

Catherine Bell  
Operations Manager
