FROM THE TEAM LEADERS

Unexpectedly we find ourselves with the opportunity to write a report this week after the premature end to the Year 7 Camp at Crosslands. Under the much appreciated guidance of various Mentors, other Teachers, KSA staff and Southbound Outdoor Educators, the boys handled difficult conditions with a positive attitude and admirably good spirits.

The conditions were difficult due to the rain that fell in the lead-up to Camp, the oppressive heat and humidity and the two powerful storms that came through in the afternoon and early evening on Tuesday. All the staff on Camp were thrilled and proud to see so many boys rise above these difficulties to think of others before themselves and be so willing to undertake an array of unfamiliar activities. We proudly witnessed boys learn to ride bikes, canoe despite their fear, tackle the high ropes and 'leap-of-faith', that daunted many adults, some even open-mindedly camped and cooked for the first time. That so many of them met their own challenges was inspiring – the way that they encouraged their peers was extraordinary.

Congratulations to the competitors and spectators who made the CAS Swimming Carnival such a memorable occasion. Our boys were Travis Cox, Declan Farris, Oliver Glastonbury, Zach Green, Will Hornery, Ashton Kendall, Jordan Menzies, Alexander Mercer, Matthew Pearson, Josh Riggien, Alex Ruygrok and Flynn Worner. Special mention to Charlie Anderson who won the 12 Years Division, 50 m Freestyle, Will McDonagh who was part of the victorious and record breaking 4 x 50 m Freestyle relay, Justin Lee who was part of the same relay and the 4 x 50 m Medley and Tane Bidois who anchored the 4 x 50 m Freestyle and Medley Relays and won the 12 Years Championship 50 m Freestyle in record time.

You can view photos of 'Year 7 Camp 2017' on TRIPCAST by clicking [here](#).

We have sent an email regarding amended sport training arrangements for Friday – please check the details carefully.
