

# St Lucy's asking for Volunteers

St Lucy's is very fortunate to have voluntary support from the wider community. Our volunteers provide invaluable support giving generously of their time in assisting our teachers and students.

We are currently looking for more volunteers to help in a wide range of areas eg; reading, maths, general classroom assistance, student excursions and many more. The time required of a volunteer is very flexible ranging between one and four hours Monday to Friday.

Our volunteers receive ongoing training and support to ensure their experience is a rewarding one.

To become a volunteer you will need a current Working with Children Check (WWC). You can obtain this by visiting [www.check.kids.nsw.gov.au](http://www.check.kids.nsw.gov.au) this check is free for volunteers.

Once you have your WWC, log onto the St Lucy's website, complete the Community Engagement Volunteering Form 2017 and submit to [volunteer@stlucys.nsw.edu.au](mailto:volunteer@stlucys.nsw.edu.au)

I look forward to speaking with you and arranging a time to meet and discuss your preferences.
