FROM THE TEAM LEADERS

The long weekend has come at an ideal time in what has been a very busy term. Year 10 have continued to impress with their application and commitment and I would love to see them finish off the term in the best possible way.

There have been some outstanding achievements of late with the CAS Drill Competition win on Wednesday standing out. This is the fourth year in a row that Knox has won and to have a number of Year 10 boys involved makes this win extra special.

Hopefully all of our young men gained some valuable insight from their Parent-Teacher Interviews. The aim of these interviews is to highlight areas for the boys to address and work on moving forward. With Stage 6 around the corner, this is the opportune moment to act on this advice and to engage the support and strategies on offer.

Finally, it is imperative that all Year 10 students attend their compulsory Sport sessions. If for some reason they cannot attend, an email needs to be sent from the parent or guardian directly to the coach informing them of the reason for missing a training session or match. Likewise, if there is an injury or an exemption, this information needs to be clearly communicated via email to the relevant coach.

I hope you all have a fantastic and relaxing long weekend. Let's hope that the weather improves!

SAM WHITE YEAR 10 TEAM LEADER

FROM THE STUDENT ADMINISTRATION OFFICER

The annual Knox Kokoda Trek will be taking place once again in 2017, with this Social Justice opportunity open to all Year 10 Students. Places are limited and filling fast. If you are interested, please contact [Mr Shaw](#) in the PDHPE Department as soon as possible for a permission slip and information pack.

June is Bowel Cancer Awareness Month and Oscar Cheal is keen to get involved and raise some money with his mother's recent history. Oscar contacted Bowel Cancer Australia and they will be sending 500 ribbons that he aims to sell through Boarding and Year 10. Please encourage your sons to support this special fundraising initiative.

Knox has taken out the CAS Drill Competition for the fourth year in a row. Will Kablau, Peter Koch, James Price, David Sherlock and Nick Van Veen were part of this amazing team. Well done! Congratulations to all those boys who performed at the numerous Eisteddfods at the Chatswood Concourse last week. Brilliant performances from everyone.

Braeden Campbell was selected in the NSW All Schools ALF team. The team will travel to Perth in Term 3 for the School Sport Australia AFL Carnival. Braeden was also voted the Most Valued Player of the NSW All Schools Carnival (by selectors). A great achievement Braeden!!

I hope you all have a wonderful long weekend and we see the rain disappear at some stage. Keep warm and dry.

PAMELA HITCHCOCK YEAR 10 STUDENT ADMINISTRATION OFFICER
