APPLICATIONS NOW OPEN!!!

Lord Somers Camp - 6-13 January 2018
Lady Somers Camp - 14-20 January 2018

Lord Somers Camp
and Power House

Applications for the Lord and Lady Somers Camps close in four weeks at the end of Term 3, Friday 22 September.

WHO IS IT FOR?

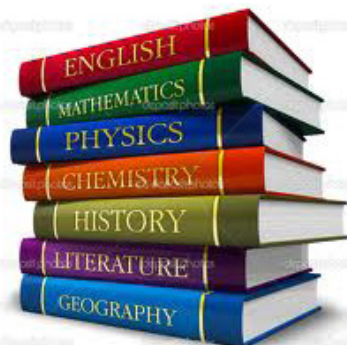

The camps are for participants currently in Year 11 or equivalent or between 16.5 and 18 years of age as of January 2018. A key objective of the camps is to bring together participants from a wide variety of backgrounds and experiences. We are looking for young people who will gain something from the program. They don't necessarily need to be your school leaders (of course they can be!), but perhaps someone that has leadership potential not yet fully realised. We want young people who are willing to accept the challenge to be One in One Hundred and participate in a camp like no other.

HOW TO APPLY

The onus is on the young person to apply themselves via our website [here](#). The application form also asks for information which will allow us to select a mix of participants which meets our diversity objectives for the camp. Whilst the onus is on the young person to apply, we still need your help in identifying the young people that will benefit from the Lord or Lady Somers Camp and encourage them to take the initiative to register. For further information, please click [here](#).
