FROM THE HEAD OF KNOX SENIOR SECONDARY ACADEMY

The Stage 6 staff look forward to welcoming the boys back from exams on Thursday. It has been an intense few weeks and they are to be congratulated for the way they have conducted themselves through the recent exam period. Some boys are already finished and are no doubt looking forward to a few days of relaxation. For those who still have exams to complete I wish you a productive weekend of study.

As the post-exam period begins prior to the next newsletter some important information in advance is contained below.

- All Year 11 students are expected back at school on Thursday 14 September. Due to CAS Track and Field and the Year 12 Final Assembly the routine will be different to normal and is summarised below.
- It is essential attendance and punctuality at every class is without fault right through to the last day of term (Friday 22 September). The boys will be receiving their exams back and the feedback will inform the work that needs to be done over the break (feed forward). Gaps in knowledge and skills that the exams exposed must be addressed prior to next term as Year 11 work becomes assumed knowledge in Year 12.
- The boys commence as Year 12 on Day 1 next term. They will have an assessment period from about Week 5 onwards. Any work done over the September break will help ease the pressures that this assessment block brings. A reminder that some subjects will have assessments in the final week of Term 4 so early leave prior to the Summer Vacation should be avoided. An assessment schedule for Term 4 will be distributed early in Week 1 next term.
- Any boy who wants to amend their pattern of study to pick up an extension subject is to complete a change of subject form, have it signed by the relevant staff, obtain a parent signature and then return to Mrs Willson by Thursday 21 September.
- On Monday 23 October (Term 4 Week 3) all boys and parents are encouraged to attend an HSC information session starting at 7.00pm in Seniors' Hall. Please save the date for this important evening. Further details will be provided early next term.
- NESA rules enable students to drop to 10 units in Year 12. There is no rush to drop a subject. I suggest students wait until after they have a Knox Academic Indicator (KAI) interview in Week 4 next term. Details of the KAI interviews will be provided at the information session on Monday 23 October.

Week 9 and 10 Schedule

Thursday 14 September

- Period 1 and 2 – Year 12 Final Assembly. All Year 11 boys are expected to attend.
- Period 3 – CAS Track and Field Assembly. Please note that Periods 3 and 5 have been swapped.
