

# The Library...

Write a narrative (story) about what happened to a character or characters when they entered this library.

Maybe your character/s found a special book with a treasure map, or when they opened a book, they entered its world. It is up to your imagination to use the image of the library as a stimulus for a story.

## Think about:

- The characters and where they are
- The complication or the problem to be solved
- How the story will end.

## Remember to:

- Plan your story before you start
- Choose your words carefully
- Write in sentences
- Pay attention to your spelling, punctuation
- and paragraphs
- Check and edit your writing.

## Timing

- 10 minutes to plan the story
- 30 minutes to write the story
