ENROLMENT INFORMATION

LESSONS

Lessons are 30 minutes long during school hours and conducted in small groups. Lessons are allocated on a rotating timetable every week to minimise impacting any one period (ie class/subject). Boys leave class for lessons scheduled during class time.

Boys will be billed for the following items:

- Practice and Music Book (Pipes)
- Drum Sticks and Practice Pad (Snare Drummers)
- Drum Sticks (Tenor Drummers)

Pipes and Drums are provided by the School. Pipes can also be purchased with the guidance from the Pipe tutors. Much of the band equipment has been donated over the years by the OKGA and the KPA. All the equipment is expensive, and hence need to be looked after.

At the end of each term, fees for that term's lessons will be added to your School account. Other equipment will be purchased if/when necessary by filling out a 'Student Invoice Form'. It is not necessary to fill out a new enrolment form each year. Boys are automatically 'rolled over' to the new year.

Lessons missed by teacher absence will be made up. Lessons missed by students being absent or on leave will be forfeited unless **PRIOR** notice is received by the tutor. In the case of illness, parents must email panddlessons@knox.nsw.edu.au the day/evening prior to the lesson. In the case of sudden illness/non-availability, please phone the band room immediately. If your son is unable to attend the scheduled lesson or any reason, please ask him to see his tutor at the beginning of the day. His tutor will then try to reschedule his lesson for a more suitable time.

If a student wishes to stop lessons, written notice must be given to the Pipe Band Master. Fees will continue to be charged until such notice is received.

COSTS

Lesson Fees \$150/term

Equipment

Bagpipe Practice Chanter \$100

Chanter Reed \$15
