FROM THE TEAM LEADERS

The Year 11 Team and I were extremely proud of our young men as they commenced their Yearly Examinations on Wednesday. The way in which the boys conducted themselves in the Great Hall for their English Exam was simply outstanding and a reflection of their ever-increasing maturity and application.

To that end, it has been brilliant to see the boys come together to study in the Seniors' Hall during this last week. The real benefit of this space is that students can collaborate to study and share/compare ideas and approaches to their work. The future looks very bright indeed if the Class of 2019 can continue to tap into their collective knowledge and shared experiences. Having been an Assistant Head of House in Boarding previously, I saw this communal approach to study pay off time and time again and so to have a dedicated space in the School for every senior student to apply themselves in the same way is truly special and exciting. Please encourage your son to utilise this space, particularly if he is struggling to concentrate and focus at home.

It is incredible to think that there are only three weeks to go until the end of Year 11. Please continue to support and encourage your son through this examination experience and help him to set realistic goals for the coming year. As always, we are here to help and assist every boy in the cohort and will continue to remind them that they can drop in to see us at any point in time, as many do, for advice/support on any matter or just for a chat.

I hope you have a great weekend and enjoy the start of Spring!

FROM THE STUDENT ADMINISTRATION OFFICER

It was wonderful to see the boys studying in Seniors' Hall on Monday and Tuesday, working hard and collaborating to make the most of their time.

The Knox Jazz Combo have won the inaugural Fine Music FM School Jazz Combo Competition. Congratulations to Peter Koch who was part of the Jazz Combo.

To accept the invitation to attend the CAS Track and Field on Thursday 20 September, parents need to log onto the parent lounge and accept the invitation. The cut off for accepting is Monday 17 September. If this is not done, then the student is not permitted to attend.

Congratulations to Ewan Shingler who is now the Middle Distance and Sprint NSW Schools State Champion obtained at the Orienteering Championships last weekend. An amazing result, Ewan!

A big thank you to Nic Van Veen, Christian Dennis and Archer Bradshaw for stepping up yesterday and being part of the audience for the HSC Drama Exams at short notice and breaking their studying pattern in the Seniors' Hall. It was much appreciated.

Have a great weekend.

STREET WISE PARENT EVENING

Last week the Year 10 boys attended the bstreetsmart Young Driver Education course. To complement this program, we would like to invite parents and boys of Years 10 and 11 to attend the Steering Young Drivers Parent Evening. The presentation brings together parents and students to promote low risk driving behaviours in students who are learning or about to learn to drive. The presentation is open to all Knox students and parents and will be held on Wednesday 12 September in the Portrait and Thistle Room. Attendance is free; however, we do ask that you RSVP by Monday 10 in order to provide adequate seating. Please [RSVP](#) to the Middle Academy.
