

YEAR 12 TEAM LEADERS

Firstly, I would like to congratulate the Class of 2019 on how they have approached the English task this week. It was fantastic to see the boys come together to study and plan for the assessment. I witnessed a high level of group collaboration in action in the week leading up to the task, especially in Seniors' Hall. It is this mentality of helping one another that will stand our young men in good stead over the coming months.

The winter sport season is now underway and there have been some brilliant results already. I would like to single out the members of the 1st XV who achieved an excellent and historic result at St Joseph's last Saturday. Backing up from a disappointing loss to Newington the week before and producing a clinical display as they did, speaks volumes about the character of these men. This character is reflected in the actions of our boys at Knox each and every day, as they rise to meet the challenges and disappointments that life inevitably throws at them.

Finally, I would like to remind parents and students alike about the importance of presenting to School well groomed. We have shared with the cohort many times how success in applications and the workplace after school is, more often than not, linked to one's personal standards. Every Knox student is expected to have their top button done up, shirt tucked in and shoes shined; the latter, every couple of weeks. Furthermore, if the boys are asked to get their hair cut during the week, we will be following up with that student and their parents to ensure that their hair conforms to the Knox standard. Please help us to reinforce the importance of maintaining these expectations.

Have a fantastic weekend and I hope to see many of you on Sunday supporting a large number of our young men as they participate in their final ANZAC Service and Parade.

STUDENT ADMINISTRATION OFFICER

If your son is late to School for any reason, especially on the day of an assessment, please make sure he sees me on his arrival so I can record his attendance.

Congratulations to Jemery Cook and Xavier Sammut who received the House Manager's Award at the Boarders' Dinner last week. Peter Li was the the Year 12 ConneXions Award recipient.

If your son has a study period 1 or 7 and he wishes to come in late or leave early, the [leave form](#) must be completed by parents and approved by Mr Weeding before he can take this leave. Some boys are presuming they can do this without having the form approved. When this happens, it will be regarded as unapproved leave.

Please refer to Page 3 for the ANZAC Memorial Service and Parade instructions regarding time of arrival for cadets on Sunday.

Congratulations to Brendan Hee, Lachlan Kelly and Josh Mercer who were part of the 4x50 Freestyle Relay and 4x50 Open Medal Relay that won Silver at the NSW All Schools Swimming and Diving Championships.

Winter Food Drive - Over the remaining weeks for this term we will be collecting food for the Wesley Connect Winter Appeal. Specific items listed will support those who are homeless and who live on our Sydney streets. Small tins of tuna or chicken with ring pulls, Long life milk (1 litre) and chunky meaty tins of soup. Please bring all donations to our office in the WSA.

I am looking forward to the ANZAC Service and Parade on Sunday as I watch the Year 12 boys participate for their final time.
