

YEAR 12 TEAM LEADERS

What an incredible end to the term it's been! Capped by an amazing formal last night, it is with our best wishes that we farewell the Class of 2019 over the next three weeks for what we hope is a restful and productive study break.

Yesterday evening's formal at Le Montage was outstanding. Our young men had a fantastic time and the staff were all filled with a great sense of pride as we watched the cohort enjoy themselves and look after their partners. A big thank you to Ms Fiona Billington and Ms Pamela Hitchcock for their work in organising the night.

Congratulations to James Price, Eugene Bakker and Zac Slonim on winning the ISDA Debating competition last Friday evening. This is the first time that Knox has won this prestigious championship and so well done to these boys for making everyone so proud.

I would also like to congratulate Will Kablau, Ollie Hughes, Dan Breden, Tom Gratwicke and Sam Rechner on their selection in the CAS 1st XV and Enrique Grobler, Oscar Cheal, Darcy Fitzgerald and Oliver Griffiths on their selection in the CAS 2nd XV. This is an amazing representation for the School and the boys should be very proud of their efforts against GPS last Tuesday evening. We wish them the best for their games tonight.

Well done also to Ewan Shingler on his selection to the NSW Orienteering Team and to William Liu on his selection to the Australian Olympiad Chemistry Team that will be competing in Paris. These young men should be very proud of their efforts and we wish them good luck in their upcoming commitments.

Finally, I would like to congratulate all those Year 12 students that were part of the SWE and KSO contingents that won at the Sydney Eisteddfod last weekend. The amount of time and effort that these boys put into their music and associated rehearsals is phenomenal and it is so great to see them so richly rewarded.

Once again, we wish the year group, and their families, a safe and refreshing break and look forward to welcoming our young men back for their final term of school in three weeks' time.

SAM WHITE

STUDENT ADMINISTRATION OFFICER

Interim reports will be released this afternoon at 4pm. This update includes any assessments that have been finalised since their last report.

The Seniors' Hall and the library will be open from 8am to 4pm Monday to Friday. Study planners are available in the Seniors' Hall during the break.

It was wonderful last night to see the boys and their dates enjoying themselves at their last formal. The boys reflected on this fact as I spoke to many of them during the night.

The Passing Out Parade on Monday night was a spectacular evening, even though the heavens decided to open just before the cadets marched off for their final time. On speaking to the boys after the parade at the supper, there were many reflections on their experiences and how much they enjoyed their time in cadets.

Congratulations to Jack Puncher and Henry Wines who were part of the winning CAS AFL team.

2019 AUSTRALIAN OLYMPIAD TEAM

On Monday 20 June, William Lui attended Parliament House in Canberra. He represented Knox Grammar School and joined his team members at the Blazer Ceremony at the Parliament House.

William will be flying to the UK on 12 July, spending one week at Cambridge University for further preparations. The actual event of the International Olympiad in Chemistry will be held at Paris. William will be back home on Thursday 1 August.
