

JUNIOR SQUAD INFORMATION SHEET

Please note that any reference to “parents” in this Information Sheet includes reference to guardians and carers where applicable.

Overview

Junior Squad is one of two Squads above Black Squad (the other being Junior Performance Squad). Junior Squad caters for both competent junior swimmers involved in swimming as a competitive sport, but who are not yet eligible for Junior Performance Squad; and competent junior swimmers who wish to swim for fitness, health and wellbeing. The focus is to continue and refine swimmers’ development in all four strokes from the level attained in Black Squad, with a dual focus of developing their ability and skills for competition, and improving their fitness.

The emphasis is to continue to improve technique in all strokes, including starts and turns, improve endurance and speed, and prepare swimmers for optimal competitive performance where relevant.

Guidelines for Inclusion

Inclusion in Junior Squad, either from Blue or Black Squad or externally, is at the discretion of the Junior Squad coaches. Swimmers will usually be given a trial period to determine if they are suitable. Guidelines for inclusion in Junior Squad are listed below:

- Swimmers are usually 11-14 years old.
- Swimmers must demonstrate basic proficiency in all four strokes, including starts and turns.
- While there are no minimum attendance requirements, it is recommended that for optimal improvement and progression to Junior Performance Squad, swimmers attend at least three sessions per week.
- While there is no requirement to participate in competition, it is recommended that swimmers participate in Friday Races (see below) and join Knox-Pymble Swimming Club (see below).
- Swimmers must demonstrate an ability to swim in a group and show respect for coaches and fellow swimmers.

Sessions and Timetables

Junior Squad sessions are usually 90 minutes in duration and are usually offered every day of the week, and twice on some days.

Timetables showing session times for each school term are emailed to all parents prior to each term, and are available on the Knox Aquatic Centre (‘KAC’) webpage and from the KAC office. Session times may vary during school holidays, and timetables for holiday periods will also be emailed to parents and be available on

the KAC webpage and from the KAC office. Parents will be notified by email of any changes to timetables due to other pool bookings.

Program Structure

The Junior Squad program is planned by the principal coach with a view to preparing swimmers for competition as appropriate, and to improve fitness and general wellbeing. Sessions will include a variety of technique, skill, endurance and speed elements to achieve optimal competitive performance. Yoga sessions are also included in the program.

The Junior Squad program aims primarily to teach/coach swimmers, but also to challenge them, prepare them for competition where relevant and to provide some fun elements.
