*Please note that any reference to “parents” in this Information Sheet includes reference to guardians and carers where applicable.*

### **Overview**

Senior Performance Squad is the Squad above Junior Performance Squad. The Squad caters for accomplished senior competitive swimmers fully committed to competitive swimming. The focus is to continue and refine swimmers’ development in all four strokes from the level attained in Junior Performance Squad, with a focus on developing their full competitive potential.

The emphasis is to continue to improve technique in all strokes, including starts and turns, improve endurance and speed, and prepare swimmers for optimal competitive performance.

### **Guidelines for Inclusion**

Inclusion in Senior Performance Squad, either from another Squad or externally, is at the discretion of the Senior Performance Squad coaches. Swimmers will usually be given a trial period to determine if they are suitable. Guidelines for inclusion in Senior Performance Squad are listed below:

- Swimmers are usually at least 14 years of age.
- Swimmers should regularly attend at least seven sessions per week, including morning sessions.
- Swimmers must be members of Knox-Pymble Swimming Club (see below), and compete in designated meets.
- Swimmers should have at least one Australian Age Championships qualifying time.
- Swimmers must demonstrate an ability to swim in a group and show respect for coaches and fellow swimmers.

### **Sessions and Timetables**

Senior Performance Squad sessions are usually two hours in duration and are usually offered every day of the week, and twice on some days.

Timetables showing session times for each school term are emailed to all parents or swimmers prior to each term, and are available on the Knox Aquatic Centre (‘KAC’) webpage and from the KAC office. Session times may vary during school holidays, and timetables for holiday periods will also be emailed to parents or swimmers and be available on the KAC webpage and from the KAC office. Parents or swimmers will be notified by email of any changes to timetables due to other pool bookings.

## **Program Structure**

The Senior Performance Squad program is planned by the principal coach with a view to preparing swimmers for designated meets. Sessions will include a variety of technique, skill, endurance and speed elements to achieve optimal competitive performance.

The program also includes a dry-land program (including exercises and yoga) designed to enhance performance and reduce the risk of injury.

The program aims to teach/coach swimmers, challenge them, and prepare them for competition.
