## TERMS OF USE – KNOX SOCIAL MEDIA

Knox Grammar School has a number of social media platforms where we celebrate and highlight our school events, activities and student achievements.

We ask all users of our social media platforms to ensure their behaviour is consistent with the values of the school and the *Conditions of Enrolment* (see [www.knox.nsw.edu.au/policies](http://www.knox.nsw.edu.au/policies)).

While we value positive contributions to social media, the administrators of the Knox Grammar School social media platforms may remove material that is sexist, racist, violent, profane, abusive or defamatory.

If you have any concerns regarding any content on Knox Grammar School social media platforms, please email [communications@knox.nsw.edu.au](mailto:communications@knox.nsw.edu.au)
